

Voted Best Doctors.

Honored to care for you.

Congratulations to the GI Associates physicians who were voted as Wisconsin's top digestive health doctors by their peers.

Call a GI Associates office near you or visit www.wigia.com.

Nationally recognized digestive health experts

We are proud to have physicians from GI Associates named as Best Doctors®. At GI Associates, we offer leading-edge digestive health care for patients of all ages. Our specialized team of 24 gastroenterologists — including a pediatric specialist and a hepatologist — provides the most advanced care and treatment options available, along with personalized service. We're here to serve all of your digestive health needs.
